

Taurus Point 70

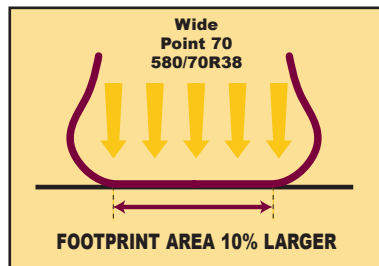

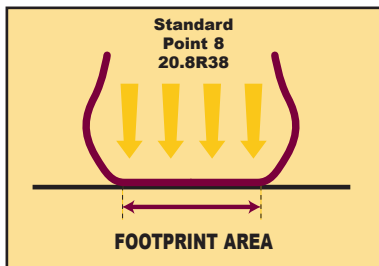

Robust and wide

NEW

The advantages of a wide tyre... for working in the fields

- Improved traction on wet ground accompanied by excellent self-cleaning.
- Reduced rutting for better soil protection.

Extra robust... for farm work

- Greater load capacity than standard tyres.

20.8 R 38	POINT 8	153 A8 (3650 Kg)
580/70 R 38	POINT 70	155 A8 (3875 Kg)

- Wear shape significantly improved compared with the Point 7.
- High resistance to separation due to a new rubber compound.

Taurus Point 70,

The ideal tyre for your mid-powered tractor.*

*(70 to 180hp)
