

Log Splitters

Tractor Mounted & Trailed

MAKING HARD WORK EASIER

These 100% New Zealand designed and built quality heavy duty Log splitters, have been designed to handle the harshest New Zealand conditions.

With either a Tractor mounted model or a Trailed self powered model, the range of ICS Manufacturing Log splitters are sure to impress.

We take Pride in the fact that these units are more Efficient and Robust compared to other Local and Imported models.

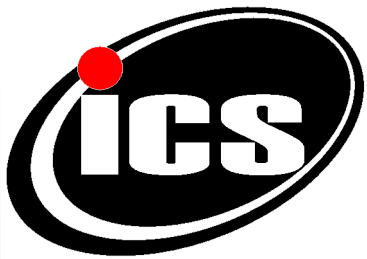

FEATURES:

- Robust Heavy duty Construction
- 10, 13 or 17 tonne cylinder thrust options as standard.
- Unique tapered cutting edge
- Dedicated Log splitting valve
- Suited to any types of wood
- 1 Year Warranty
- Linkages to suit Cat 1, 2 or 3 (Tractor mount models)
- Reduced side loading on Hydraulic cylinder, as cylinder is directly attached at both ends, rigidly guiding the knife.
- Made in New Zealand

SIMPLE - SAFE - EFFICIENT

12 Month Warranty

1: This warranty covers the repair or replacement of parts damaged as a result of faulty workmanship or defective materials.

2: Without limiting the generality of Clause 1. This warranty does not cover the following:

- a: Any costs or expenses incurred due to delay in delivery from any cause.
- b: Telephone, Tolls, Faxes, Postages, Travel expenses, Freight or any other such costs
- c: Damage or loss to the goods due to their unsuitability for any particular use except where such use has been specifically approved by the manufacturer.
- d: Damage or loss where fitting or installation of the goods has not been carried out by the manufacturer, or authorized dealer, or otherwise not in accordance with the manufacturers specific instructions.
- e: Any consequential damage or loss.
- f: Any damage or loss where the goods have been modified or repaired without first notifying the manufacturer and obtaining written permission and instructions for such modification or repair.
- g: Damage to hydraulic hoses.
- h: Damage or loss due to misuse, abuse, negligence or accident.

3: Claims under this warranty may be accepted only when the following procedure has been adhered to:

- a: The manufacturer must be advised of the details of the damage or loss and the circumstances in which such damage or loss occurred.
 - b: The manufacturer will then decide if such damage or loss is within the terms of this warranty, and shall, if covered by this warranty, issue instructions for the repair or replacement as deemed necessary.
 - c: The manufacturer shall advise of the sum allowed for such repair or replacement if any party, other than the manufacturer, undertakes such repair.
 - d: Any party, other than the manufacturer, undertaking repairs that are subject to a claim under this warranty must first obtain an official Order No. from the manufacturer.
 - e: Further repairs that may become necessary as a result of repairs made by any party, other than the manufacturer, will not be covered by this warranty.
- 4: This Warranty in no way guarantees the performance of the goods in any particular circumstances. Such guarantees are provided in terms of the Fair Trading Act and Consumer Guarantees Act as these Acts may be applied or interpreted.
